

# Cannulated Screw

# Effective Protection & Prevention

**Athos** is an integrated medical supplies leader which commenced its operation in 2022. We take pride in taking healthcare as a primary motivation to serve the people Pan India. We are committed to make a difference in the current scenario of the Indian healthcare. You get the best in class international standards, design and engineering through medical devices, surgical instruments, and orthopaedic implants you can count on. Hence, ensuring that we bridge the gaps and predict solutions to deliver excellence.

Athos aims to bring positive change in the existing medical supply structure while backing it up with technology across the geographical barriers. Quality health care should be available, affordable and accessible. We would like to grow with the people we help and serve. Athos is a platform you can count in for all of your medical needs. Athos moves swiftly and cohesively with the changing time to be the name you can depend on!

10mm to 70mm

*difference of 2mm from:  
10mm to 50mm Length  
difference of 5mm from:  
50mm to 70mm )*

## Cancellous Cannulated Screw, $\varnothing$ 4.0mm, Full-Thread, SelfCutting

Material available in:  
Titanium

Length available in:  
10mm to 70mm

*difference of 2mm from:  
10mm to 50mm Length  
difference of 5mm from:  
50mm to 70mm )*

## Cannulated Screw, $\varnothing$ 6.5mm, 16mm Thread, SelfDrilling

Material available in:  
Titanium

Length available in:  
30mm to 150mm

*(Available in difference of 5mm)*

## Cannulated Screw, $\varnothing$ 6.5mm, 32mm Thread, SelfDrilling

Material available in:  
Titanium

Length available in:  
45mm to 150mm

*(Available in difference of 5mm)*

## Cannulated Screw, $\varnothing$ 6.5mm, Full-Thread, SelfDrilling

Material available in:  
Titanium

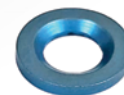

Length available in:  
20mm to 130mm

*(Available in difference of 5mm)*

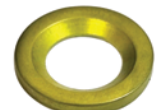

## Washer For Small & Large Fragment Screw

Material available in:  
Titanium

Small

Large

4, Prime Square Building, Sector 30, Panchkula, Haryana 134116, INDIA
